

RJ45 Through Hole Reflow Technology

Known technology, NEW product!

High temperature plastic

LCP plastic, high temperature plastic for high temperature reflow!

High temperature LED

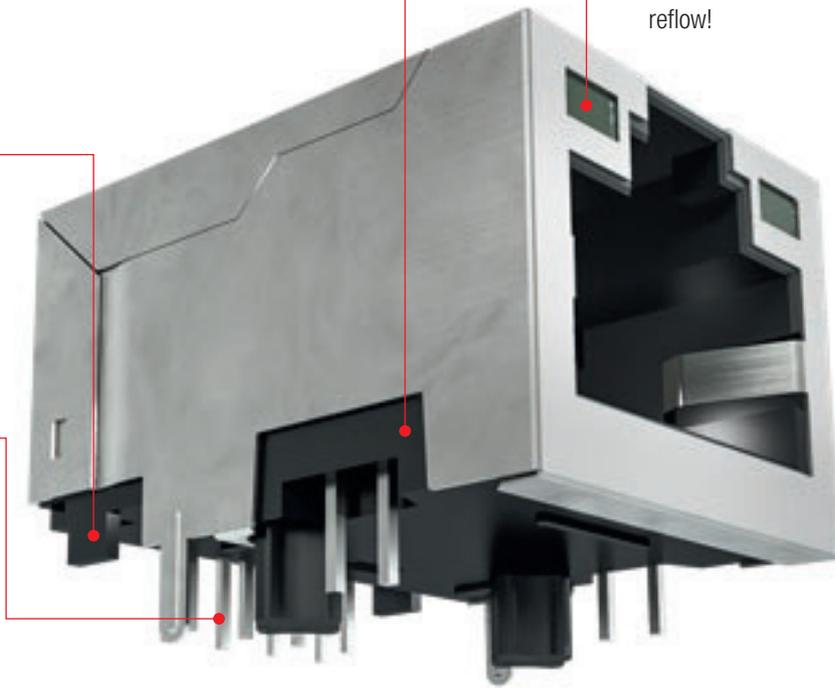

LEDs with changed lead frame position for a high temperature stability in reflow!

High stand off

Designed with a 1.6 mm standoff, for better airflow to the pins!

Shorter Pins

2.2 mm pins for soldering results according to IPC-A-610!

Order Code	Speed	PoE/PoE+
74980104400	10/100 BaseT	No
74982104400	10/100 BaseT	350mA (PoE)
7498410440	10/100/1000 BaseT	No
7498410440	10/100/1000 BaseT	600mA (PoE+)
