

Our LEDs have been developed for customized light solutions for each grower.

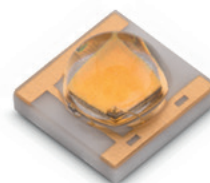

Perfect Quality – Very High Efficacy
 Up to 3.0 $\mu\text{mol/J}$ (Deep Blue),
 3.6 $\mu\text{mol/J}$ (Hyper Red), 4.0 $\mu\text{mol/J}$ (Far Red)

What you need to optimize your plants

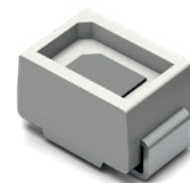

Greenhouse tips from our Field lab

Low and high power package available

High Power Horticulture LED WL-SMDC Horticulture
 Package Size: 3535
 PN: 150353xx74500

Low Power Horticulture LED WL-SMTW
 Package Size: 2835
 PN: 150283xx73103
