

REDCUBE TERMINALS

PLUG

Features & Benefits

- The quick and easy pluggable solution **REDCUBE PLUG** offers all press-fit advantages. It is a multiple times pluggable solution for high current applications.
- Pushing on the top of the housing allows mating the corresponding cable connector. After actuating, the spring returns to its initial position and locks the cable connector automatically into the housing.
- A common hexagonal crimper is used to install the contact on the wire. This simple lug like crimp set the bond in place.
