Datasheet Change:

- Yes No

Attachment:

- Yes No

Description of Change:

Due to internal standardisation, Würth Elektronik will change the packaging label.
 There will be no change in form, fit, function, quality or reliability of the product.

Details of Change:

The international standard IEC 60938-2 is now requiring to print the inductance tolerance on the packaging label:

The current label doesn't show any inductance tolerance

The inductance value will be shown with tolerance

Reliability / Qualification of Change:

There will be no change of the product, therefore no additional reliability or qualification testing was performed
