in Cape Town

INVITATION TO THE FREE SEMINAR ON **08.09.2026 IN CAPE TOWN**

Würth Elektronik cordially invites you to the free Seminar on 08.09.2026 in Cape Town.

The seminar was designed by engineers and technicians and is aimed at people who are interested in practice-oriented content, to get support in the development of error-free electronics and devices.

Main topics:

- Shielding from the Dark Side of the EMI Force - Application of different ways of shielding and cable ferrites.
- From Noise to Nice - We have the ferrite; what PCB ferrite do I need for my design?
- Unleashing the Power of Chip Antennas
- The Symphony of Oscillators - Harmonising signals for success
- Yes WE Can - Fundamentals of CAN EMC and Application of Common Mode Chokes

Seminar location:

Devonvale Golf & Wine Estate
Bottelary Road, Stellenbosch
Koelenhof, 7605

Tuesday, 08.09.2026 from 07:30 to 17:00 o'clock

Please register by 18.08.2026 as the number of participants is limited. You can find the registration here: www.we-online.com/seminar-registration

Please write in the comment field what your dietary requirements are e.g. Vegetarian, Vegan, Strictly Halal ect.

We would be pleased to welcome you to our seminar.

With kind regards
Würth Elektronik
