In addition, we use your contact data to send so-called PCNs (Product Change Notification) / PTNs (Product Termination Notice). Furthermore, there is a legitimate interest in maintaining risk management within the Würth Elektronik Group. In rare cases, we also process your personal data for direct e-mail purposes and direct marketing purposes.

When you make use of free services, such as the download of a white paper/publication provided free of charge, we also obtain your consent in accordance with Art. 6 (1) lit. a (consent), for advertising purposes. You therefore consent to us informing you by post, telephone or e-mail about Würth Elektronik products or services. In addition, it is possible that any partner companies that have contributed to the creation of the free service (whitepaper/publication) may also advertise to you via the aforementioned advertising channels. **You can unsubscribe your advertising consent at any time at [privacy-data-netherlands@we-online.com](mailto:privacy-data-netherlands@we-online.com).**

**In case you do not want to receive any more advertising from a partner company, please send your revocation directly to the respective company.**

In addition to personal data that we receive directly from you, we also process and collect data for supplementation and validation through our own research in accordance with **Article 14 of GDPR**. The legal basis for this is the principle of data accuracy pursuant to **Art. 5 (1) lit. d GDPR** as well as the protection of our legitimate interests for the purpose of verifying and updating our database pursuant to **Art. 6 (1) lit. f GDPR**. The data is used exclusively within the scope of the purposes stated here.

In the event of the data having to be processed for any other reason, the data subject will be provided with information about this additional processing. In the event of registration for a Würth Elektronik event, the data you provide will be used for the purpose of event participation. The data you provide enables us to register you at the event according to your own specifications, to contact you for this purpose and thus to enable the event to run smoothly. For some events, we may contact you afterwards for promotional purposes. If you give us your consent to use your data for advertising purposes, we will process your data to inform you about Würth Elektronik products or services by post, telephone or e-mail. The legal basis for this data processing is **Art. 6 (1) lit. a GDPR** (consent), **Art. 6 (1) lit. b GDPR** (fulfilment of a contract) and in any case the existence of a legitimate interest in accordance with **Art. 6 (1) lit. f GDPR**.
