

EU Declaration of Conformity

In accordance with Annex VIII of Regulation (EU) 2025/40 on packaging and packaging waste (PPWR)

This controlled dossier contains the EU Declarations of Conformity listed below.

Cover Box, Shipping Carton	EU DECLARATION OF CONFORMITY N° 1
Cardboard, Carton Tray, Reel Carton	EU DECLARATION OF CONFORMITY N° 2
Reel	EU DECLARATION OF CONFORMITY N° 3
Barcode Label, Month Label, Net gross weight label, Shipping Label	EU DECLARATION OF CONFORMITY N° 4
Protective Band	EU DECLARATION OF CONFORMITY N° 5
Shipping Tray	EU DECLARATION OF CONFORMITY N° 6
Cover Tape	EU DECLARATION OF CONFORMITY N° 7
Cushion, Insert, Spacer, Bubble Pack, Sponge Foam Pad	EU DECLARATION OF CONFORMITY N° 8
Carrier Tape	EU DECLARATION OF CONFORMITY N° 9
Sealing Tape	EU DECLARATION OF CONFORMITY N° 10
Fastening Tape	EU DECLARATION OF CONFORMITY N° 11
Shipping Tube	EU DECLARATION OF CONFORMITY N° 12
Desiccant Bag	EU DECLARATION OF CONFORMITY N° 13
Vacuum Bag	EU DECLARATION OF CONFORMITY N° 14
End Plug	EU DECLARATION OF CONFORMITY N° 15

EU DECLARATION OF CONFORMITY N° 1

Packaging Identification

Declaration Number	PPWR-001
Packaging Type	Cover Box, Shipping Carton
Predominant Packaging Material	Cardboard
Description	Components made from cardboard and are used to pack, store, and transport products. They provide protection against physical damage and environmental influences such as dust.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Packaging and Packaging Waste Regulation (EU) 2025/40 [OJEU L, 2025/40, 22.01.2025]

Applicable Standards

Applied harmonised standards and other specifications	Not Applicable
Common Specifications	Not Applicable
Notified Body	Not Applicable

Munich, 12th August 2026

EU DECLARATION OF CONFORMITY N°2

Packaging Identification

Declaration Number	PPWR-002
Packaging Type	Cardboard, Carton Tray, Reel Carton
Predominant Packaging Material	Cardboard
Description	Components based on paper and are used to hold and protect products during storage and transport.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Packaging and Packaging Waste Regulation (EU) 2025/40 [OJEU L, 2025/40, 22.01.2025]

Applicable Standards

Applied harmonised standards and other specifications	Not Applicable

EU DECLARATION OF CONFORMITY N°3

Packaging Identification

Declaration Number	PPWR-003
Packaging Type	Reel
Predominant Packaging Material	Plastic
Description	A reel is a packaging component used to wind, store, protect, and dispense carrier tape containing products. It facilitates safe handling, storage, transportation, and automated feeding during manufacturing and assembly processes.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Wurth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Packaging and Packaging Waste Regulation (EU) 2025/40 [OJEU L, 2025/40, 22.01.2025]

EU DECLARATION OF CONFORMITY N°4

Packaging Identification

Declaration Number	PPWR-004
Packaging Type	Barcode Label, Month Label, Net gross weight label, Shipping Label
Predominant Packaging Material	Cardboard + Coating (Printing ink)
Description	Labels are made of paper and printed with ink. They are affixed to packaging to provide product identification and essential information, supporting handling, traceability, and logistics throughout the supply chain.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Packaging and Packaging Waste Regulation (EU) 2025/40 [OJEU L, 2025/40, 22.01.2025]

EU DECLARATION OF CONFORMITY N° 5

Packaging Identification

Declaration Number	PPWR-005
Packaging Type	Protective Band
Predominant Packaging Material	Plastic
Description	Protective band is made from plastic and used to secure cartons or palletized goods during storage and transport. They help stabilize the load and prevent shifting or damage.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

Packaging and Packaging Waste Regulation (EU) 2025/40 [OJEU L, 2025/40, 22.01.2025]

EU DECLARATION OF CONFORMITY N°6

Packaging Identification

Declaration Number	PPWR-006
Packaging Type	Shipping Tray
Predominant Packaging Material	Plastic
Description	Tray provides protection against physical damage and environmental factors such as moisture and dust.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N°7

Packaging Identification

Declaration Number	PPWR-007
Packaging Type	Cover Tape
Predominant Packaging Material	Plastic
Description	Cover tape is a sealing material applied over carrier tape to securely enclose packaged components. It ensures product protection, maintains component position during handling and transportation, and supports automated assembly processes.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N°8

Packaging Identification

Declaration Number	PPWR-008
Packaging Type	Cushion, Insert, Spacer , Bubble Pack, Sponge Foam Pad
Predominant Packaging Material	Plastic
Description	Cushions, inserts, spacers, Bubble Pack and Sponge Foam Pad are internal packaging components designed to protect, support, and secure products within the packaging. They help maintain product stability, minimize movement, and prevent damage during handling, storage, and transportatic
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Wurth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N°9

Packaging Identification

Declaration Number	PPWR-009
Packaging Type	Carrier Tape
Predominant Packaging Material	Plastic
Description	Carrier tape is a packaging component used to securely contain and organize products during handling, storage, transportation, and automated processing. It helps maintain product position, protects against mechanical damage, and supports efficient handling and assembly operations.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

EU DECLARATION OF CONFORMITY N° 10

Packaging Identification

Declaration Number	PPWR-0010
Packaging Type	Sealing Tape
Predominant Packaging Material	Plastic
Description	Sealing tape is a packaging material used to securely close and seal packages, maintaining package integrity and protecting the contents throughout handling, storage, and transportation.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N° 11

Packaging Identification

Declaration Number	PPWR-0011
Packaging Type	Fastening Tape
Predominant Packaging Material	Plastic
Description	Fastening tape is a packaging material used to secure products or packaging components together, providing stability and maintaining their position throughout handling, storage, and transportation
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N° 12

Packaging Identification

Declaration Number	PPWR-0012
Packaging Type	Shipping Tube
Predominant Packaging Material	Plastic
Description	A shipping tube is a packaging component used to enclose and protect products during handling, storage, and transportation. It provides structural support and helps prevent damage while maintaining the integrity of the packaged contents.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Wurth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N° 13

Packaging Identification

Declaration Number	PPWR-0013
Packaging Type	Desiccant Bag
Predominant Packaging Material	Mineral/Clay filler
Description	Desiccants are used inside packaging to absorb moisture and help protect products from humidity-related damage during storage and transport.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Würth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

EU DECLARATION OF CONFORMITY N° 14

Packaging Identification

Declaration Number	PPWR-0014
Packaging Type	Vacuum Bag
Predominant Packaging Material	Plastic
Description	A vacuum bag is a flexible packaging material designed to protect and Preserve products by creating a sealed environment with reduced air content. It supports product protection during handling, storage, and transportation.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Wurth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer

EU DECLARATION OF CONFORMITY N° 15

Packaging Identification

Declaration Number	PPWR-0015
Packaging Type	End Plug
Predominant Packaging Material	Plastic
Description	An end plug is a packaging component used to close and protect the ends of a package or product container. It helps maintain product stability, prevents exposure to external factors, and supports safe handling and transportation.
Product Group	Passive components (catalog and custom magnetics)

Responsible Company

Manufacturer	Wurth Electronics Midcom Inc. -German Branch
Address	Clarita-Bernhard-Straße 9 81249 München

This EU Declaration of Conformity is issued under the sole responsibility of the manufacturer
