[D] Buyer shall use its best efforts to ensure that these provisions are upheld by parties within the supply chain, in particular resellers and contract manufacturers. Buyer shall set up and maintain an adequate monitoring mechanism to prevent circumvention.

Furthermore, Seller shall be entitled to demand a contractual penalty in the amount of 5% of the sales price of the goods sold in violation of the provisions of this regulation. [C] Neither party may assign this Agreement without the prior written consent of the other, except that Seller may assign its rights and/or obligations under this Agreement to an affiliate.

[D] Any delay or failure by Seller to exercise any right or remedy upon Buyer's breach of any of the Terms shall not impair any such right or remedy, nor shall it be construed as a waiver of any such breach or any other breach occurring then or thereafter. All waivers must be in writing.

[E] No amendments to or modifications of this Agreement will be valid and binding upon either party unless it is in writing and signed by an authorized representative of both parties.

[F] There are no third-party beneficiaries to this Agreement unless otherwise mutually agreed in an express writing.
