CERTIFICATE OF COMPLIANCE, PFOA AND RELATED SUBSTANCES, Regulation (EC) No. 1907/2006, Regulation (EU) 2017/1000

This certificate affirms that Würth Electronics Midcom fulfills its obligations under the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) regulation. Title IV, Article 33 of REACH, as interpreted by judgment of the Court of Justice of the European Union in Case D-106/14, requires Würth Electronics Midcom to inform its customers if articles it produces (as defined in Title I, Chapter 2, Article 3) contain any constituent articles that have more than 0.1% by weight of the constituent article any of the Substances of Very High Concern (SVHC) on the Candidate List, that are on the Authorisation List of Annex XIV, or that are on and subject to the Restricted Substances List of Annex XVII, maintained by the European Chemicals Agency (ECHA). Würth Electronics Midcom provides, as a minimum, the name(s) of the substance(s) and complies with Annex XVII restrictions.

Regulation (EU) 2017/1000 restricts Perfluorooctanoic acid (PFOA), its salts and any related substances. Würth Electronics Midcom's processes and products comply with the only applicable restriction, Point 2, (a) through (c).

SVHC communication, "REACH SVHC Part List Würth Electronics Midcom," and the current version of this certificate, "PFOA Compliance Würth Electronics Midcom," are both available by navigating 'Category > Material Compliance' at [Download Center](#).
