SUBSTANCE (SVHC) INFORMATION COMMUNICATION, Regulation (EC) No. 1907/2006, Article 33(1)

Würth Electronics Midcom fulfills its duty to communicate information on substances in articles by directing affected parties to SVHC Notices listed below. Official notices are available and downloadable from http://www.we-online.com/web/en/passive_components_custom_magnetics/quality/certifications_and_registrations/Environment/Compliance.php.

Within a Notice is summary information for a single relevant SVHC and a list of part numbers containing the SVHC. Listed product part numbers include those that are new or prototype, that have been sampled or purchased within two years prior to SVHC listing, that have current open or pending orders, or that are released to production after substance listing. Products whose part numbers are not listed on any Notice do not contain any SVHC.

The active REACH SVHC Notices are as follows:

SVHC181-1 Notice and Parts List

SVHC191-1 Notice and Parts List

Authorized By and On Behalf of Würth Electronics Midcom Inc.,

A handwritten signature in black ink that reads 'John L. Hauber'.

John Hauber
Materials Compliance Engineer
