

Welcome on Board

The Würth Elektronik Group with more than 8300 employees in 50 countries manufactures and sells electronic and electromechanical components, circuit boards and intelligent power and control systems. The business unit Würth Elektronik eiSos with headquarters in Waldenburg, Germany, is specialized on electronic and electromechanical components and one of the most successful in the Würth Group.

Crew Mate Wanted!

Come Aboard!

Field Application Engineer (m/f/d) for electromechanical components
Waldenburg, Munich or Berlin, Germany | Ref.-No. 577

Your tasks on board

You are the technical specialist to support our Sales force as well as our customers in technically complex questions about electromechanical components. Your tasks will be:

- Technical support for our sales force and for our customers
- After evaluating the training needs of Sales force and/or customers in different countries you generate and proof new training content together with our Field Application Experts
- You will do trainings not only in our Headquarters in Waldenburg, Germany, but internationally
- Further you support marketing activities from technical side e.g. trade fair, congress etc.
- You will work autonomously from home office, at customers and travel internationally

Your application

Daniel Josic looks forward to receiving your application. Please indicate your earliest possible entry date and your wage expectations.

► **Apply online (Ref.-No. 577)**
