Parking – stay less than 2 hours:

Turn right and reach the goal right side after 400 m. There is a parking lot straight in front of our office building. Therefore you need your parking disk.

Parking – stay more than 2 hours:

After the rotary you turn rightside and follow the Parking till the end. Then you get straight to the parking lot. It is placed next to the Parking 29 rightside. You can park in there with your ticket as long as you need to.

By underground

You take the underground U6 in the direction Garching Forschungszentrum. Exit at the station called Garching Hochbrück. From here you walk only few minutes to the office building. There is a park and ride straight in front of the U station. It leads you through an underpass to the parking of the supermarket EDEKA. From there you just follow the **Parking** right side till **number 29** to the office. The whole walk is approx 500 meters long.
